

## FACULTY OF COMPUTER SCIENCE AND MATHEMATICS

### PITA-01 FORM

#### Title and Supervisor Validation for Final Year Project

(Please print and verify this form with your supervisor and FYP coordinator.)

#### Personal Information

Full Name : Muhammad Razia Bin Md Zin  
Matric No. : S70021  
Program : Software engineering  
Project Title : UMT Business-Hub MPP Staff Management System  
Project Type : web-based  
Main Supervisor : Dr Mohamad Nor Bin Hassan  
Co-Supervisor (if related) :

#### Section A: Student

I hereby affirm that the originality and authenticity of the Final Year Project to be undertaken will be upheld. The thesis and the system that I submit at the conclusion of the Final Year Project will be the result of my own investigations and effort.

I understand that cheating and plagiarism constitute a serious violation of the university regulations, which will not only result in a failing grade for the Final Year Project but subject me to further disciplinary actions.

Student's Signature :

Date : 29/10/2025

#### Section B: Supervisor(s)

I/We endorse the proposed project title and agree to become the supervisor(s) to this student.
